

July 2, 2014

To Whom It May Concern,

We have been working with Green Earth Pest Control for more than two years and have been extremely pleased with their service. Whenever possible we try to transition new clients to their service to make life easier for our managers and pest-free for our residents.

Josh and his team consistently show up on time, communicate problems efficiently and resolve issues with care. I could not recommend another extermination company in Brooklyn more highly.

Sincerely,

A handwritten signature in black ink, appearing to read "Brendan Byrnes", is written over the typed name.
