To whom it may concern,

Green Earth Pest Control has been servicing no less than 3 of our properties for a minimum of three years each. During that time they have been proven to be professional, transparent, accommodating and very quick to react to emergency situations. Tenants and Owners alike have never complained about service, as a manger and building owner it is a great relief to have one less thing to worry about. They have been a pleasure to work with and look forward to continuing our professional relationship in the large portfolio of buildings that we manage an own. If you have any questions please do not hesitate to call me at 718-852-3323.

Sincerely,

Evan Touhey
